

CERTIFICATE PENETRATION TEST

SySS GmbH
Schaffhausenstraße 77
72072 Tübingen

hereby confirms that it carried out a penetration test for the company

Sinabis GmbH
Auf der Krautweide 24
65182 Bad Soden am Taunus

Test item: The isolation on the Sinacluster between different customers of Sinabis GmbH.

Test period: July 15 to 18, 2025 and August 21 to 26, 2025

Test depth / resistance period: The simulated attack lasted two person-days (actual test period).

Summary of test results: Vulnerabilities were discovered during the test period. However, they were successfully rectified during the test period. This is hereby confirmed by SySS GmbH.

Recommendation: SySS recommends that the test item be retested after every significant change or at the latest after one year.

Tübingen, August 26, 2025
